Design Agreement

This agreement is made between Pool and Spa Designs.com and client.

Contracting:

Pool and Spa Designs is a drafting service firm and makes no claims to be a licensed contractor. Nor does Pool and Spa Designs offer any service related to the physical construction of any swimming pool or spa.

Engineering:

Pool and Spa Designs is not a licensed engineering firm. Any engineering provided with our plans comes from third party engineering firms that are licensed in your respective state of construction.

Measurements:

All measurements must be verified by the property owner prior to final approval of construction plans. Pool and Spa Designs is not liable for any losses or fees incurred by incorrect measurements.

This includes, but is not limited to:

- City permit fees
- Plan change fees
- Structural changes
- Underbidding of a project
- Any said damage caused by faulty construction

Addendums:

During the construction process you can expect things to change. We charge \$100 for the first addendum and \$50 for each additional addendum.

Indemnification:

The client shall to the fullest extent permitted by law, indemnify and hold harmless, PoolandSpaDesigns.com; their officers, directors, employees, and agents. This includes from and against, all damage, liability, and costs, including reasonable attorney's fees arising out of or in any way connected with the performance of the services under this agreement. Except only those damages or costs attributed to the sole negligence or willful misconduct of PoolandSpaDesigns.com.

Client:
